

Regular Members

Except as otherwise provided in this Section, all Regular members must be persons who are employed as full time (32 hours per week minimum) employees of a governmental law enforcement agency or department. Such employment must be the primary source of employment of all Regular members. All Regular members must have arrest authority, meaning they must be empowered “by statute”, to arrest offenders, as defined in their jurisdiction (other than a private citizen) at all times while on duty. Any member who was a Regular member on March 4, 2017 shall have the right to continue as a Regular member if they meet all other requirements.

Persons who have been employed and have taken an honorable separation after twenty (20) years total service as a full-time (32 hours per week minimum) employee of a governmental law enforcement agency or department are eligible for Regular membership although they may not be presently employed by such law enforcement agency or department. The person must submit letters or documentation of proof to substantiate their qualification under this section.

Retired Military Personnel who served with a job classification in law enforcement and having served in that classification for not less than twenty (20) total years before separation from the military may apply for Regular membership. The person must submit letters or documentation of proof to substantiate their qualification under this section.

Persons receiving disability income or job reclassification due to injuries received while engaged in full-time law enforcement employment or who are receiving retirement income for full-time Employment, as previously defined, are eligible for Regular membership although they are not presently employed by such law enforcement agency or department. The person must submit letters or documentation of proof to substantiate their qualification under this section.

Each Regular member must be properly license to operate a motorcycle by the jurisdiction in which the member resides and must own a motorcycle. Persons who otherwise qualify as Regular members, but do not presently own their own motorcycle may become members if they plan to and acquire ownership in a motorcycle within six (6) months of their acceptance of membership.

A Regular member, who because of an injury, medical or physical condition, including age related conditions, are unable to safely continue operating a motorcycle, may retain their membership as a Regular member. Members who qualify under this provision are exempt from motorcycle ownership and license requirements.
